

# Relaxr Landing Page: Part 1

We'll be working on this site for the next three classes, just a heads up.

For today, we'll be making a simplified version of the site which uses only one column. Your job is to build out the CSS - using the information below - for the page!

---

## Colours

benefits background color: #f0efef

yellow: #f9e42e

dark blue: #033048

light grey: #606161

almost black: #121212
